## Leaving a Legacy of Walking with Christ

School Year: 2022-23

Dear Family & Friends,

**What does the future hold for GCA?** We have been blessed with an amazing eight years at Grace Christian Academy and we are currently teaching and discipling in our 9th year for the 2022-23 school year. While God has been very clear that we have a home in our current rental buildings and are to remain open this school year, for the first time in nine years we face unknowns for a home for next school year. First, we know God is still in control. Second, we know His plans are greater than our plans. And finally, we must be obedient to where He leads.

Our current rental building on St Augustine Street is under new ownership and we plan to be out of this building by June 30th, 2023, which means we have under 1 year left in our current home. And while panic and fear is a tool of the enemy, it is not of God. The Bible is clear on who our God is: ***“So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.”*** These are the promises we stand on when we face adversity in this fallen world, and so we resolve here at GCA to do just that. *We are in this together and the time is now!*

In light of what is ahead, the GCA school board has placed the following as priorities for this ministry in the months to follow:

1. **Praying, Praising, and Fasting:** First, we will turn to God. While we have been independent as a school when it comes to funding (i.e. no government funds, no one church, etc.), we are and have been completely dependent on God for our provision. This will not change no matter what is ahead. So, whether it is our upcoming Praise & Worship nights at the school or praying/fasting for the school on your own, please seek God and intercede for this ministry in the upcoming days.
2. **Focus on this school year:** While all the bills for last school year were paid, GCA faced its toughest financial year in 2021-22. For the first time, our fiscal year actual budget ended in the red and we had to borrow some of the Capital Campaign funds to make ends meet (-\$7017.19). Thus, we will prioritize taking care of our current needs this school year first.
3. **New Home:** We know God can do anything. We also know He can change His plans in anything. And while a new \$6 million dollar school building is not out of the question to be paid for and built by next school year, we are also seeking God's direction for another possible home for next school year (e.g. another rental building). Because of the timeline of June 30th 2023, we now know with certainty that we will see a move of God for this educational ministry in the year ahead for a new home.

**Jesus said, “Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.” Matthew 19:13-15**

**(OVER)**

Even with all of the changes ahead, rest assured that our mission here at GCA will not change: **Grace Christian Academy is a non-denominational 3K-12 Christian school that exists to disciple students towards leaving a legacy of walking with Christ, producing wisdom, stature, and favor with God and man.** We are local missionaries for Northeast Wisconsin who look towards discipling students in such a way that they stand for God's truth and then outreach to the world for the gospel of Jesus Christ. And while academics are important here at GCA, our heartbeat is to come alongside Christian families and disciple children unto God's Word.

For the 2022-23 school year we have 48 students, 7 full-time teachers, 2 part-time office assistants, and 2 full-time administrators. Please prayerfully consider blessing this ministry with your prayers, finances, and/or time. If you are able to donate, then please return the enclosed donation slip with your blessing.

*We are in this together and the time is now!* Thank you for partnering with us here at Grace Christian Academy all these years. With your help, you are affirming our mission to disciple students towards Leaving a Legacy of Walking with Christ both now and for many years to come!

Sincerely,

Grace Christian Academy
